Gentlemen—

4 We, the members of your Committee on Salaries, beg leave to submit the following report:

We have carefully considered the request of Mr. Roger Crysler, County Treasurer, for an increase in his salary.

Your Committee, while duly appreciating the value of Mr. Crysler's service and also duly realizing the increased responsibility caused in part at least by the Patriotic Fund, do not feel justified in recommending an increase in his salary at present.

We have carefully considered the request of Mr. Isaac McNally, Turnkey, for an increase in his salary.

Your Committee recommends that his salary be increased fifty dollars per annum, to begin January 1st, 1916.

All of which is respectfully submitted,

J. H. LAWRENCE, Chairman.  
JOSEPH CRIDLAND,  
H. A. COUNTRYMAN,  
THEO. CUNNINGHAM.

Committee Room,  
January 28th, 1916.

No. 7—On motion of Mr. MacPherson, seconded by Mr. Walker,

Ordered,

That the report of the Committee to enquire into the validity of the Treasurer's Bond be received and adopted.

The following is the report:

To the Warden and Members of the County Council:

Gentlemen—

Your Committee beg leave to report as follows—

We find that the Treasurer is properly bonded in the Dominion of Canada Guarantee and Accident Co. for ten thousand dollars, which is in force until January 1st, 1916, which we consider sufficient.

All of which is respectfully submitted,

(Signed)

C. W. SANDERSON, Chairman.

H. A. COUNTRYMAN,

THEO. CUNNINGHAM.

Committee Room, Jan. 28th, 1916.

Mr. Cridland then brought up the report of the Committee on the Industrial Farm and Home.

No. 8—On motion of Mr. Simmons, seconded by Mr. Gilbert,

Ordered,

That the report of the Committee on the Industrial Farm and Home be received and adopted as read.

The report reads as follows:

To the Warden and Members of the County Council:

Gentlemen—

We, the members of your Committee on the Industrial Farm and Home, beg leave to submit the following report—

We visited the Farm and Home on Thursday, the 27th inst., and found everything in perfectly good order. There are at present sixty-nine inmates; 41 men and 28 women.

The inmates all seemed to be well satisfied with their treatment, and are comfortable and fairly contented.

We would recommend the following repairs and changes.

(1)—The roof on the summer kitchen needs shingling.

(2)—A new fence is needed along the road. Mr. Spencer suggested that he can get the fence posts off the farm to build the fence.

(3)—There is some objection to the closet in the men's sleeping room. We suggest that the door be changed and be placed in the hall. The change could be made at very little cost and would add to the convenience and sanitary condition of the Home.

(4)—The Matron needs more help in the kitchen. We suggest that two hundred dollars be set aside to secure extra help.

(5)—There is a man in the Home that we understand has a living in Hamilton. This matter should be looked into.

(6)—There is an Indian woman in the Home that we think should go to the Reserve. We suggest that this matter be looked into.

(7)—The Master thinks that a silo would be profitable on the Farm. Your Committee recommends that one be built.

All of which is respectfully submitted,

(Signed)

JOSEPH CRIDLAND, Chairman.
